

## Much to Be Thankful For.

There is no doubt we live in rapidly changing, uncertain, and for many, difficult times. However all of us at 96three FM give praise and thanks to God as we continue to be privileged in seeing His mighty hand move in providing for and leading this unique radio ministry as we continue to "Broadcast the Reality of Jesus Christ".

The Lord's provision in recent times:

- Radiothon 2011 over \$153,000 provided.
- Significantly improved reception for listeners.
- 96three FM's licence renewed for another five years.

Thank you to everyone for your prayerful and financial support of this ministry, as we are reminded in Ephesians 6:11-18

"Finally, be strong in the Lord and in His mighty power. Put on the full armour of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armour of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace.

In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."

### **96three FM signal now strong than ever!**

Many listeners would be aware of the intermittent reception problems and the reduced signal 96three FM has been broadcasting over the past couple of years.

These problems were principally owing to 96three FM only having one (second hand) functioning transmitter and therefore unable to take it off air for much needed maintenance. ( It has been operating virtually nonstop for more than 13 years) as well as interference from another station.

Praise be to God both these matters are now resolved, our signal has significantly increased. Thank you to every one who has taken the time to tell us how improved reception has added to their listening enjoyment. If you haven't already contacted us, pleased do, we would love to know the location from where you are listening.

### **96three FM's 2011 Radiothon....Thank you!**

The total for Radiothon 2011 was over \$153,000. Thank you everyone for your support, prayers, calls and letters of encouragement. We at 96three FM consider it a privilege to be able to serve you. If you made a pledge to Radiothon remember you can still to send it in.. We need your support.

### **96threeFM's Licence Renewed for another 5 Years!**

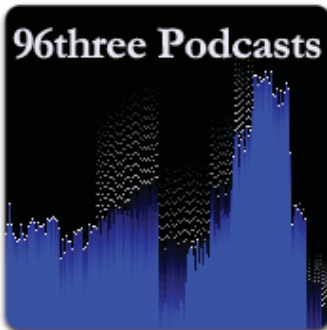

The Australian Communications and Media Authority recently advised us, our application (completed more than 12 months ago) for renewal of our Broadcasting Licence had been approved for another 5 years. Praise God!

## This is what you are saying....

"..I would like to thank you all for the work you do at 96three, I enjoy all the wonderful programs you broadcast. I work in an aged care facility and my role is to meet the social and spiritual needs of different cultures and religions. Going to work is a pleasure as I love listening to programs such as "Focus on the Family" it gives me inspiration to tackle my work as well as helping me with what I need to know to help my family and myself through difficult times. I also use "Thrive" as my daily study guide. I am blessed every time I hear you, keep up the wonderful work". - Janice, Melton.

Thanks for the wonderful job you all do at 96.3FM. Recently moved to Geelong, I have found this station to be so refreshing and encouraging; it is amazing how God has spoken to me through the music and revealed little nuggets of truth through the various programs. Keep up the great work! - Fiona, Geelong.
