

“Keep on Believing Radiothon” 2020 Total Raised: \$406,000! - Thank you.

Together we give thanks and praise to our LORD for His favour and wonderful provision!! 2020 has been a turbulent year with the pandemic and its economic implications along with geopolitical and social unrest in our communities and many countries.

96three's vision and mission has always been to offer 100% Christian programming which includes: news, music, prayer and solid biblical teaching that builds up and encourages you in your faith and ultimately into a more meaningful and deeper relationship with Jesus Christ. Though we live in uncertain times, your partnership makes sharing the “Reality of Jesus Christ” possible through your ongoing prayers and faithful financial support. 96three will continue to be here for you and continue broadcasting the “Reality of Jesus Christ”. Once again, THANK YOU!

A listener wrote “People need to hear the messages that you provide whether it be music, song or teaching; it is all so vital and needful along with the Bible verses, all sending out the living word of God and His Christ. May God continue to provide all you need and bless and guide you. With grateful thanks to you and to God for His great love, mercy and grace.”

Replacement Outside Broadcast Equipment. Thank you!

After reaching our Radiothon need of \$350,000 during the last two days of the financial year, one of our other needs we made known was the necessity to replace our existing OB equipment [\$20,000] which was made obsolete by the requirement for us to replace and move our phone systems to the NBN early last year. This project was also fully funded! Pictured are two of the pieces of new equipment ordered. When we receive these and other associated equipment we will have the set up we need.

CBM Miracles Day - Thursday 6th August.

Since Miracles Day began, radio listeners across Australia have given almost 200,000 Miracle gifts of sight-saving surgery for people living with cataracts.

Children like five-year-old Sudip from Nepal, who is the face of Miracles Day this year, was the recipient of one of these Miracles. When cataracts blurred Sudip's vision, he stopped playing with his brothers and sisters and just sat inside.

For just \$33 (less than the cost of a takeaway meal for a family) you can give someone like Sudip surgery to remove their cataracts. Surgery takes just 12 minutes but restores sight forever.

Thank you for being part of Miracles Day, Thursday 6 August, as we give more people the Miracle they will never forget.
